

## Holiday Shows

### Fact Sheet

Science Alive's holiday programs are exciting and lots of fun for children of all ages (and parents). Tried and tested over 20 years, our range of shows are easy to organise, inexpensive and guaranteed to be a hit at vacation care, libraries or festivals.

### Show Details

Show name	Content	Appropriate age		
		4-8 years	all ages	8-12 years
<b>High Energy Show</b>	Discover many of the amazing secrets of electricity, heat and explosive energy.		✓	✓
<b>Boundless Energy</b>	Fabulous games with light, wind, magnetism, chemicals, rockets and more.	✓	✓	
<b>Fun with Forces</b>	Pushing, pulling, spinning, pumping and jumping. Can you battle the forces of nature?	✓	✓	✓
<b>Very Strange Stuff</b>	Explore the materials that make up our world. Adventures with liquids, solids, gases, bouncy bubbles and slippery slime.	✓	✓	✓
<b>Weird water</b>	Welcome to the wacky, wet and wonderful world of water. There's nothing like it.... It really is nature's magician.	✓	✓	✓
<b>Sensing our World</b>	Unlock the astonishing mysteries of our five senses. Seeing, hearing, smelling, touching and tasting are much more than they seem.	✓	✓	
<b>Sounding Off</b>	The science of sound. Shake it, wack it, blow it, pluck it and send vibrations out to the world.	✓	✓

### Feedback

"Mick Doyle kept us all entertained and enthralled even with audiences of 100+, per show. Both groups were quick to volunteer and assist with the various creative demonstrations. Science is certainly NOT BORING with Mick Doyle around. Riverton Library will definitely be up for a return visit."

**Marg Robinson Children's Services  
Riverton Library**

"Please come out and visit us again the children loved all the experiments and would definitely like to see more."

**Sacred Heart OSC**

"Hi there we had you come to our out of school hours care last holidays and the children really enjoyed it so we are hoping you are able to come and entertain us again this January."

**Kenwick OSC**
